

QUOTATION FOR MAGNUSTIC ERP APPLICATION DEVELOPMENT

Prepared For: MAKTRONICS

Prepared By: Ibrahim

Date: 24 April 2026

Validity: 15 Days

Project Overview

We are pleased to submit this quotation for the development of a **Custom ERP Application** designed for businesses to manage complete operations digitally. The software will streamline company workflows such as login management, dashboard reporting, employee management, clients, stock/inventory, invoices, estimates, subscription plans, and admin controls.

This ERP system will be scalable, modern, secure, and accessible via desktop/mobile browser.
